Parents, if qualified, will be given preference for employment.

Transfers

Employees may request a transfer by writing a transfer request and submitting it to their current supervisor. Decisions for transfer requests shall be based on the needs of the employee as well as the needs of the agency.

All substitutes must be hired through the Human Resources Department. All substitutes employed for more than 10 days are subject to the same hiring process as those hired to be regular or seasonal employees. All substitutes will be enrolled in the Criminal Background Registry prior to substituting. The section "Offer of Hire" below outlines the procedure.

Volunteers (JTPA, practicum students, and other long term volunteers) may also be subject to hiring procedures. The Human Resources Department will make the determination upon staff notification of the volunteers' length of service. For the safety of children in the classroom, volunteers will never be left alone with a child or be out of sight from a staff person when volunteering.

A list of all consultants with required skills and knowledge will be on file in the Human Resources Department.

Application Screening

All applications received during the internal posting period shall be screened by the hiring supervisor. Applications shall be graded, using an Application Evaluation form, according to requirements, preferences listed on the job description, and documentation of whether the applicant is a past or present Head Start parent. Those qualifying may be interviewed prior to an external posting.

External Posting

External recruitment of employees occurs when vacancies can not be filled from within. Job vacancies shall be posted with local government employment departments for a minimum of five business days. Vacancies may also be printed in area newspaper classified advertisements. All applicants must fill out an agency application form in its entirety, including the employee notification of criminal history records checks and fingerprinting requirement form and the self declaration regarding all arrests, charges, and convictions related to child abuse and an applicant drug testing consent form. Following the external closing date, applications shall be screened as outlined above. The screening committee may also review applications being held in the active file. This file may be obtained from the Human Resource Department.

Interviewing Candidates

Following the screening process, the hiring supervisor, with the assistance from the Associate Director of Administrative Services, organizes an interview team, which must consist of at least one other employee and one parent from the Parent Policy Council. The supervisor is responsible for establishing an interview schedule and ensuring proper completion of all interview materials, including grading sheets. After all scheduled interviews are completed; the committee reviews all grading sheets and makes a hiring proposal to the Associate Director of Administrative Services.

Telephone Reference Checks

All potential employees must be listed on the State wide Criminal Background Registry and have filled out the self declaration form on the agency application.

Director, Head Start Director, Fiscal Director, and Associate Directors.

Letters of Regret

Following selection, the hiring committee shall return all applications to the Human Resource Office. Letters of regret shall be typed and mailed to all candidates not selected for hire. A copy of this letter shall be attached to the candidate's application packet.

In addition the hiring of Head Start/EHS Director, Fiscal Director, and Associate Directors will also be subject to approval by the Board of Directors and the Head Start Regional Office. Orientation

An orientation to the agency shall be facilitated by the Associate Director of Administrative Services with each program director or manager providing information in their area.

This orientation may be done individually or in larger groups when several new employees and supervisors are involved. The Employment Eligibility Verification form (I-9) must be completed during the first day of employment. Training and orientation to Blood Borne Pathogens, Child Abuse & Neglect, and Handling of Hazardous Materials will also occur during the orientation.

Following general orientation to the agency, content area specialists will conduct an individualized training in the employee's new position.

Job Classifications

All UMCHS positions (Exempt and Non-exempt) are grouped into one of four major job classifications; Specialist, Coordinator, Manager, and Director. A job classification may encompass more than one pay grade. For example, positions in both Pay Grade 1 and Pay Grade 2 are all classified as Specialist.

<u>CLASSIFICATION</u>	<u>PAY GRADE(s)</u>
Specialist	1-2
Coordinator	3-6
Manager	7-9
Director	10

Determination of Pay Grade

Positions are assigned to a Pay Grade based on a point system. Our organization has identified five job factors which influence pay levels. Each job factor is weighed differently (with different point values).

JOB FACTORS

- 1). Mental Application (60-600 pts.)
- 2). Supervision Exercised (0-300 pts.)
- 3). Knowledge and Training (60-600 pts.)
- 4). Responsibility for Contacts (30-300 pts.)
- 5). Physical Effort (20-200 pts.)

Administrative Staff, Supervisors, and Salary Committee Members (staff) have participated in assigning point values to every UMCHS position. Each January, Administrators and Supervisors will review point values assigned. Those positions which have changed significantly will then be re-graded and, if necessary, re-classified.

Newly-created positions will be evaluated and graded by Administrators prior to posting.

Placement on Pay Grade UMCHS has adopted 10 pay grades (1-10). Each pay grade is designed to reward education as well as experience. All employees who provide documentation for appropriate education from an approved institution are moved to the right of the pay grade and receive greater compensation. Employees with experience are moved down the pay grade to receive greater compensation. Generally, an

employee may be awarded one experience level for each year of experience. New employees may be allowed to begin beyond the first experience level, depending on past, appropriate experience.
