

My Parents, My Teachers Mis Padres, Mis Maestros

After viewing the video, respond to the question....

*What was your reaction?
What were you thinking about while you watched the video?*

If your table has difficulty getting started, try these questions....

- 🎵 What did you see or hear that was new to you?
- 🎵 Was there anything you had a reaction to? Why?
- 🎵 Are there some benefits for parents in reading, singing, and playing with their children? If yes, what?
- 🎵 Are there some barriers that keep parents from interacting with their children? If so, what can we do about them?
- 🎵 How is your parenting style alike or different from those in the video?

Also, think about these things...

- 📖 How do you tell when a child is “ready” for a learning activity?
- 📖 What do you do if the child is not ready for a learning activity, but the parent is?
- 📖 How do you know when it is time to stop a learning activity?
- 📖 How can you tell if a child is over-stimulated?
