

Wellness PayBack Claim Form

Health Net's Wellness PayBack benefit¹ rewards members for making healthy living a way of life. When you complete a community health education class at a medical hospital or clinic, Health Net will reimburse you up to \$50 per class, for a total of \$150 per year. Classes include, but are not limited to, prenatal education, fitness, weight management, smoking cessation, and newborn care. Contact the customer service number listed on your Health Net identification card if you have any questions.

Steps to receive your Wellness PayBack:

1. Register and pay for your class.
2. Complete your class.
3. Complete this form (please print).
4. Attach your class receipt to the form.

Mail completed form with receipt to:

Health Net Health Plan of Oregon, Inc.
