2. Mother and father are meeting DHS requirements in a timely manner and parents should have more time with their children.
3. Plan for visitation: **Child's Name** should continue visits with her sisters. Visits with her mother should only occur at times and with conditions (supervision, etc.) approved by her therapist.
4. Any other pertinent statements. **Child's Name** should continue with individual and family counseling at the discretion of her therapist.

STATUS OF THE CHILD (Keep it short): **Child's Name** currently lives with her aunt and uncle in the Seattle area. She is engaged in therapy and is attending school.

STATUS OF THE PARENTS (Keep it short): Father is incarcerated. Mother has completed her psychological evaluation. Counseling services and parenting classes have been offered.

Summary: (Visits with child and other parties): **Child's Name** is one of # of children in care in Oregon (another sister lives with grandparents in Chicago). Because of the severe emotional trauma and her age, CASAs support the plan to seek adoption.
